

The Institute of Particle Physics  
L'Institut de la Physique des Particules

I, ..... hereby apply for individual membership in the Institute of Particle Physics, and if granted, I agree to abide by the by-laws of the said Institute. I enclose herewith a completed personal data form.

Full Name .....

Full Postal Address .....  
.....  
.....

E-mail Address .....

Organization\* .....

**Declaration of Availability for Participation**

I declare that .....% ( not less than 50%) of my normal research time will be spent on activities which are compatible with the physics interests of the Institute of Particle Physics.

Signed ..... Signature of  
Immediate Supervisor .....  
(If Applicable)

Date .....

\* Employing organization, e.g. University or agency of the Government of Canada

## Personal Data Form

### Positions held in the past 10 years

<u>Position</u>	<u>Dates</u>	<u>Department and Institution</u>
.....	.....	.....
.....	.....	.....
.....	.....	.....
.....	.....	.....
.....	.....	.....

### Qualifications

<u>Degree or Diploma</u>	<u>Year</u>	<u>Granting Institution</u>	<u>Field of Specialization</u>
.....	.....	.....	.....
.....	.....	.....	.....
.....	.....	.....	.....
.....	.....	.....	.....

Brief outline (not more than 200 words) of your current research interests:

My Interest is primarily: Theory  or Experimental

Publications and Patents

Total number of Papers published in journals with a referee system: .....

In the text box below, or on a separate sheet, list in chronological order, titles of papers published, in press, and/or accepted for publication in journals with a referee system, during the past 5 years only.

Abstracts, theses, and papers submitted may be listed in the text box below, or on a separate page.

List Patents obtained.
