

To IPP individual members:

As is customary, I am sending out this last call for nominations for members of Council to be elected at the general annual meeting of individual members on Sunday June 5, 2005 at the CAP Congress in Vancouver.

Drs. Noble and Vincter will be finishing their three-year terms. Two new members will be elected. No institution can have more than two members on council. The remaining members will be Drs. Burgess from Perimeter/McMaster, Krieger from Toronto, Konaka from TRIUMF, and O'Neil from SFU.

Nominations should be received by me via mail or FAX no later than midnight May 1, 2005. The nominations should be made by at least two members, the nominated person should sign agreeing to being nominated, and the nomination should be accompanied by a short biography (via e-mail if possible) of the nominee. Please note that nominations made via e-mail will still require a follow-up fax or mail with all the appropriate signatures. The ballots will be distributed only via e-mail.

For a description of the duties of IPP Council and its members, see the by-laws posted on our IPP website (www.ipp.ca).
